Ahoy Navy Leaguers!!!

President's Message

I can't believe it's the end of the year already. Thanks for the wonderful turnout for the U.S.S. Midway Tour. I think everyone had a great time. Listening to our speaker, Neil Black, was very moving and made a lasting impression on all in the room. Neil made the prison he was in very real. The guards were very sadistic and crude. It was a bad time in all our lives, but a real ordeal in Neil's. I thank Neil, for his service to our country, for being a hero, and for sharing these painful memories. We had 43 people on the bus, and 5 people met us at the ship. I want to thank all those who helped, especially Vicki, Wally and Jim. Without their help I would not have been able to do it.

We have an exciting meeting planned on December 14th, at Marie Callender's in Carlsbad. The guest speaker will be from the U.S. Coast Guard. This speaker will just be returning from the Gulf of Mexico, rescuing people and animals from the devastating Katrina and Rita Hurricanes. He will talk on the mission of the Coast Guard and his view of the hurricane efforts. We need to continue to support all of our Sea Services. The Tri-City Council will also support a Christmas Party for our Sea Cadet's at O.I. (Operation Interdependence) in Oceanside, CA on December 11th. If anyone wants to help, please call me.

In February 2006 we plan on having another Tour Event. The Board needs your suggestions on what you want to see. Use our web site! It's really great! Rick Long, Treasurer on the board, is continually adding to our web site (www.navyleague.net.) Please remember to thank the men and women who protect our freedom every time you see them! I feel we take many things for granted and their service and duty to our Great Country needs to be recognized by everyone.

Thanks, Chuck Baumbach

Coast Guard personnel, many of whom are now homeless themselves and have lost everything, have **rescued over 3,000 people** in Louisiana, Mississippi and Alabama, working around the clock to bring as many people as possible to safety. As the service members **work non-stop**, they can only hope that their own families are well and that someone will be there to help them.

The Coast Guard Foundation has established a **Disaster Relief Fund** that will be used to assist **Coast Guard personnel and their families** in the affected areas and bring relief to them as they **work hard to relieve the suffering of others**.

The Coast Guard is conducting **dramatic search-and-rescue** missions, **assessing damage** in the air and on the water and **flying in badly needed supplies**. Crews are **working round-the-clock**, despite knowing all they have left is the uniform on their back.

Please help us support these brave men and women and their families. Bring your donation to us on December 14th we will present it to our Coast Guard Guest Speaker. You can also contribute to the Coast Guard Foundation Disaster Relief Fund by visiting their web site (www.cgfdn.org) or by calling them at (860) 535-0786.
