December 2008

Ahoy Navy Leaguers!!

As the holidays fast approach it is time for us to stop and give thanks. We all have our individual reasons to be thankful however, we as a nation have a collective reason to pause and give thanks. The stellar service of our men and women in uniform continues to provide the blanket of freedom we sleep under. As evidenced by our recent elections, the voice of democracy bellows loud and proud. Your Tri-City Council has been hard at work planning events to show our appreciation for our sea service families. We need your continued support to keep the American people informed of the importance of national defense and the role the sea services play. You can show this support by attending the Navy League events throughout the year.

Semper Fidelis! Chip Dykes

A special Thanks to Robert Johnson, Director from our board who attended on Friday October 3, 2008 the Pacific Southwest Region meeting held in San Diego, at the Veterans Memorial Museum. The program included Bill Waylett from the NLUS national staff presenting training and a regional business meeting. Fellow Councils and Area Presidents and National Directors attended. Bill's program covered the "at-large membership" procedures, and some discussion of recruiting successes.

The PSW Region remains the leader in membership numbers thanks to everyone's ongoing efforts to recruit and retain. Please let your family and friends know about the Navy League.

Thank you, Sea Cadets and Bob Rombach for distributing NL materials for recruiting members at the MCAS Miramar Air Show. Bob and the Cadets were using a table at the Navy Recruiting District during the Air Show.
