Citizens in Support of the Sea Services

Dec 2010

Ahoy Navy Leaguers!!!

Happy Holidays! Our Sept. 3<sup>rd</sup> MCAS Dinner Event with Admiral William French, U.S. Navy Southwest Regional Commander, was a great success!

Our Council is doing well, another Year in the books. We're working on a project for the Marines. Temperpedic Mattress Company is trying to give Camp Pendleton 85 Queen size mattresses (a truck load); all we need now is money around \$7,000.00 for a truck to deliver them, any suggestions? We will try to put a great event on the agenda for early spring. We still could use some help on our Board of Directors. If interested please contact me. Let's all have a Great Holiday. Don't forget to say a prayer and keep your thoughts on all the Troops that are keeping us safe. Thanks for all you do! Chuck Baumbach President, Tri-City Council, Navy League of the United States We appreciate all Men and Women in all of the services supporting our freedom!

At the Sept 3rd Dinner Meeting we presented to our Sea Cadets their Annual Donation. Gunfighter Squadron and Topgun Training Ship's enrollment is up to 47 Cadets. Recognizing the value of these organizations in educating youth in maritime matters, the Department of the Navy established the Naval Sea Cadet Corps (NSCC) and Navy League Cadet Corps (NLCC) in 1958.

The basic objectives of both programs are: (1) to help young Americans become more patriotic and responsible citizens, and (2) to help them understand the role of the maritime services in national defense and maintaining the economic viability of our nation.

The Tri-City Council NLUS sponsors the Gunfighter Squadron & Training Ship TOPGUN, located at MCAS Miramar, San Diego, California.
